FROM ASCLEPIUS TO GALEN

MAY 23 - JUNE 2, 2018

Only \$3,599 per person *(based on double occupancy)* plus air

Fourteen years ago, the Society of Family Medicine escorted 150 people on this incredible voyage which resulted in a lifetime of memories.

Now, you can journey to many of the most beautiful and historical sites in beautiful Greece. We will be visiting **Athens** and the spectacular **Parthenon**, which sits upon the **Acropolis**, and many other sites of Athens. We will then enjoy a **Classical Voyage** into the mainland of Greece where we will learn about medicine during antiquity and about the physicians and philosophers who were the foundation of today's medicine, and actually walk in the footsteps in the towns in which they lived.

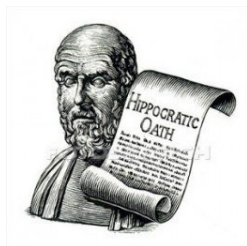

In addition, we will be taking an **Aegean cruise** to the beautiful Islands of **Mykonos, Santorini, Rhodes and Patmos**.

Our trip will then conclude with a visit to the **Island of Kos** where Hippocrates created the first hospital at the very hallowed grounds known as the Aesclepeion where we will have a re-enactment by the natives of Kos which will include our renewal of the **Hippocratic Oath**.

Enjoy this magnificent journey for only \$3,599 per person, plus air transportation. You can arrange your own round-trip flight to Greece or contact White Star Travel (1-800-437-2323) in Reading, PA to make the arrangements for you.
